Standing Like an Indian sentinel in front of his wigwam, "Tonto", prom king candidate greets the Ormsby ladies with a stone face.

## VanDale to Head Newly Formed LIC

Lawrence Inter-Religious Council is the newly formed organization that replaces the Student Christian organization as the center of religious activities on the Lawrence campus.

Initiated by and under the direction of Bob Van Dale, the LIC attempts to centralize in a large but workable group a system whereby each church group represented may have full knowledge of other member groups and may integrate their church programs with the religious activities on campus.

Eliminating vespers from its program, the LIC hopes to broaden its scope by taking more part in Religion in Life Week and New Student Week programs, and to increase its responsibility in various other religious functions throughout the school year.

The council is composed of the president, a representative, and the minister, priest, or rabbi from each church or church group represented in the Lawrence student body. Assisting President Van Dale are Vice President Jan Schumaker, who also serves as treasurer and as chairman of the constitutional committee, and secretary Sue Brainerd.

These officers were elected at a recent luncheon at which the general purposes of the organization were discussed, and speakers explained the functions of LIC. A constitution is being drawn up and will be presented at one of the future bi-monthly meetings Monday afternoons in the Union Terrace room.

## Woody Herman Plays at Casino Monday Night

Woody Herman and the Third Herd will play the annual military ball, sponsored by Waupaca's Heavey Mortar company of the Wisconsin National Guard, at the Casino on the Chain-O-Lakes Monday evening.

The dance will begin at 9 o'clock in the evening. Tickets may be purchased at the Waupaca armory or at the Casino.

## White Rose Formal to Take Place in Alexander Gym

Charles Merry, Kenneth Kuether  
Vie for Spring Prom Kingship

White roses and white and gold decorations will carry out the theme of White Rose Formal, the annual spring prom to be held Saturday evening. Dancing will begin at the Alexander gymnasium at 9:30 to the music of Buddy Morrow and his orchestra.

Winner of the prom king election today and his date will be crowned king and queen of the prom. Candidates are Beta Theta Pi's Charles Merry, and Kenneth Kuether of Sigma Phi Epsilon.

Campus queens will also be presented. They are the Lawrence ladies who have been chosen by the student body based on personality, good general appearance and school interest.

Morrow and his orchestra are a consistent favorite around the country and have been especially popular at big ten colleges, such as Ohio State, Michigan and Northwestern. They have attained fame for Morrow's trombone backed by a rhythm and blues beat. In the past they have recorded for RCA, and have currently been making records for Mercury.

Carol Collier and Larry Val-

entino are the vocalists featured with the orchestra.

Working under the direction of Lynn Semple and Robert Fox, social co-chairmen of the SEC, Helen Lofquist, Joann Regenburg, and Barbara Beckley have arranged for the chaperones.

Peggy Evans, Karen Rydin, and Janet Dolan handled the publicity for the dance.

Responsible for decorations are Kay Kaufman, Constance Banta, Mary Jackson and Jean Adomeit, Dorothy Hur and Carole Johnson.

Assisting them are Leolyn Lentz, Jennifer Lea, Carol Voll, Gretchen Kloehe, Waneta Esch, Harry Snyder, Alan Marquardt, Ronald Payette, Gordon McFarland, James Thompson, Cynthia Perry, and David Reilly.

Other members of the committee are Russell Babcock, Clay Williams, John Borges, Win Jones, Barton McNeil and Jack Tichenor.

Chaperones for the dance are Mr. and Mrs. Padriac Frucht, Mr. and Mrs. Benjamin Schneider, Mr. and Mrs. Kenneth Schroeder, Colonel and Mrs. Perry Emmons and Mr. and Mrs. Charles Bruening.

## Group Discusses Responsibility of J Board Members

Responsibility for making judgments should be the main qualification in considering a person for Judicial board was recommended by the committee on student government at the Green Lake conference last week.

The committee discussed the present Judicial board set up and its establishing of a precedent for rules. They discussed the possibility of the president of the college as a non-voting member of the board who would sit in on very important meetings.

The need for unification for a basic understanding and more interest in the Student Executive committee was discussed. It was suggested that the group committee heads be elected by the whole student body rather than the majority vote from each group.

An investigation on the basis of membership in the SEC was proposed by the committee. It was suggested that it be consolidated through Greek presidents, IFC, Pan Hellenic council and LWA. The possibility of having just juniors and seniors as representatives was suggested.

## To Hold Coffee Hour

A faculty coffee hour will be held at 4 o'clock this afternoon, in the Art Center. It will be immediately followed by the monthly faculty meeting.

Coffee and sandwiches will be served.

## J-board Members To Be Elected

Today is the day for Judicial Board elections. Students of the sophomore, junior and senior class are vying for positions on this all-important board. Members of the Judicial Board act on all cases involving infraction of all-school rules.

Students running for the sophomore position are Roger Bauman, Richard Bjornson, Harry Engel, Mary Kett, William MacArthur, James May, Robert McCauley, Nate Pusey, Jerry Surfus, and Judith Walsh.

There will be two junior students, one boy and one girl, elected to the Judicial Board. Philip Burck, Charles Fisher, Jack Leatham, John Moore, Dorothy Hur, and Andrea Washburn are the candidates for these positions.

The students running for the two positions open to the senior class are: John Borges, Dave Hathaway, Dave Hoffman, Hal Homann, Don Laflin, Phil May, William Stiles, Charles Thompson, Mary Bosser, Judy Dixon, Carolyn Johnson, Roberta King, Nancy Seidel, and Marilyn Wilson. One boy and one girl will be elected from these candidates.

## Weiss, Best to Lead Square Dance Friday

Leonard Weiss of the geology department and Rolly Best, a student at the Institute of Paper Chemistry, will call the last square dance of the year.

It will be held in the basement of the Union at 7 o'clock next Friday evening.

After the dance there will be an informal party at the Weiss' home.

## President's Committee to View Campus Problems, Activities

Student Executive council will receive applications for the newly formed President's committee on or before Wednesday, May 23.

This committee has been established as a "communications" group through which the faculty, students and administration may become aware of the problems on the Lawrence campus.

It has been felt for a long time that there has been a need for such a committee and that its possible contributions to the campus are broad and varied.

The establishment of the group is based on the assumption that there are situations, problems and opinions that arise among the faculty, student body and administration warranting discussion and the attention of the other areas on the campus in an informal way and not through legislation or notices issued from the various groups.

The committee will not keep minutes of its meetings nor will it have any power of legislation or jurisdiction.

It will meet informally solely for the purpose of expressing opinion from discussing the problems and opinions of various phases of campus activity and will allow the faculty, students and administration to hear of the problems, any form of discontent, or the trend in thought on the phases of campus life.

This is not a gripe committee but it will discuss the problems of the campus that arise out of the parts in relation to the whole and attempt to create a harmonious campus life in both class room and outside with the hope of quelling rumors and easing discontent.

The members of this committee will be chosen for their background in campus affairs and their interest and knowledge of the student body opinion. They are to have an insight into the problems of the campus.

The faculty will be chosen on their interest and participation in campus activities, including academic and social life.

North House rock has moved again. Squatting in the sunshine by Main Hall steps it displays a campaign slogan.

## Bredehorn to Head Ormsby Counselors

Announcement of head counselor at Ormsby was made by Miss Mary Morton at a recent new counselors' meeting. Rooms were also chosen by the new counselors.

Jan Bredehorn will be the head counselor at Ormsby hall next year.

The other counselors who will be living at Ormsby are Barbara Sanborn, Pat Gode, Sally Steele, Mimi Muuss, Arlene Nelson, Sue Faber, Janet Dolan, Judy Huffman, Helen Lofquist, Jeanne Begalke and Nancy Umberger.

The counselors who will be living in the new dormitory are Marian Rivenberg, Kim Hielt, Joyce Freiberg, Sue Mumme, Sharon Newell and Holly Piper.

## Last Linen Delivery Set for May 29, 31

Final distribution of clean linens will be made Tuesday, May 29, to Ormsby, Brokaw and Lawrence house and to the remainder of the campus resident halls and fraternity houses Thursday, May 31.

When a student leaves, he is requested to leave his sheets and towels together with his name on a slip of paper inside the pillow case in the usual place of distribution in the residence hall or fraternity house.

Fraternity members will leave their linens on top of their beds with a slip of paper with their name on it. Ormsby and Brokaw residents will leave their linens in the baskets in the front halls.

Any questions about procedure may be directed to Bill Joyce, student distributor, Bob Nye, next year's student distributor, Bill Swearingen, Brokaw representative, Bert Goldthwaite, Sigma Phi Epsilon, Mary Bosser, Ormsby, Sue Ewald, Park house, Rose Ziegler, Lawe house, Waneta Esch, Peabody, Bunnie Moore, Sage hall, or Wally Scott, North house.

Students will be held liable for any losses of sheets, towels or pillow cases.

## Seniors to Meet

A class agent will be elected and final business concerning graduation will be discussed at the senior meeting at 4:30 Monday afternoon in the Terrace room of the Union.

## 'God's Country' To be Subject of McFarland Talk

Colored slides on Glacier National park with narration by Gordon McFarland will be presented at 7:30 Thursday evening at the Worcester Art center.

McFarland with his brother Gordon, has led parties into the more unexplored portions of the land. George writes his impression of the country. "Glacier National park is that fantastic piece of land which stretches from the Canadian Montana border south for 60 miles along the crest of the continental divide.

In the shadows of its mountains are 60 glaciers, 200 lakes, and countless waterfalls. Its rivers drain into the Arctic, the Pacific, and Atlantic oceans.

This is the land that combines the color of the Grand Canyon with the ruggedness of the Canadian Rockies to form what is truly the crown of the continent. It is the type of land which can never really be duplicated, for it occurs but once."

The slides for the coming program are the finest of a collection which has been assembled over the last six years. Some of the maps and the literature of the National Park service will also be displayed

One of a Series of slides which will be presented in a lecture by Gordon McFarland on Glacier National Park. Containing three, thousand shimmering waterfalls and rock older than the animal kingdom itself, the Park is one of the beauty spots of Montana.

## Schroeder to Conduct Last Band Program

Fred Schroeder will conduct the Lawrence college concert band in its final performance of the school year Sunday evening at 8:15 in Lawrence Memorial chapel.

The program is comprised of contemporary compositions, and a recent band transcription of Bach's "Toccata, Adagio, and Fugue in C Major," written originally for organ. LaVahn Maesch, guest con-

ductor, will direct the band when it combines forces with the Lawrence college concert choir to present the finale of the program, "The Closing Doxology (Psalm 150)", by Normand Lockwood.

Paul Hindemith's "Symphony in B Flat," which will be presented on the program, was conceived for concert band in 1951, and has since become one

of the dozen most significant pieces of band literature.

The concert band will also play "Chorals and Alleluia," Howard Hanson's first composition written for this medium. Howard Hanson is presently the director of the Eastman school of music, where several members of the Lawrence conservatory faculty studied, including Robert Barnes, Paul Hollinger, and LaVahn Maesch, present director of the conservatory.

"Westwood," by David Baskerville, will open the second half of the program. This number was written by Baskerville for his thesis in band composition at the University of Southern California, where he is currently a member of the teaching staff.

Pete Mennin, one of the

brightest young contemporary composers, will be represented by his "Canzona," written after World War II, which is, oddly enough, almost Bach-like in style.

The program is as follows:

Toccata, Adagio and Fugue in C Major J. S. Bach  
Symphony in B Flat for Concert Band

Paul Hindemith

L. Moderately fast, with vigor

II. Andantino grazioso; fast and gay

III. Fugue, rather broad

## Summer Employment Opportunity For College Students

WHO ARE INTERESTED IN SALES OR  
SALES MANAGEMENT EXPERIENCE

A Wisconsin manufacturer of Melamine products is seeking young men, married or single, who own or have use of a car and live in the Fox River Valley area for part or full time work this summer. Opportunity for continuing employment upon returning to school in the fall.

If you are interested in attaining sales experience while making a good income this summer call Mr. Martin, Conway Hotel, Saturday afternoon, or Monday evening for interview.

## Cloak Receives Rockefeller Aid

F. Theodore Cloak, professor of theater and drama, has received a Rockefeller grant for the calendar year of 1957. This grant comes through the humanities division of the Rockefeller foundation.

Cloak will spend the first semester of next year teaching and he will return in February, 1958.

Next February he will be in New York where he will visit rehearsals of professional theaters. He has made arrangements to attend sessions of the actors studio and to meet various theatrical personalities.

March and April will be spent in England and he will be in Paris during May and June. Germany will be on the agenda for the summer months and Italy in November with a possible trip to Greece. Theaters will be studied in all of these places and Cloak will meet people connected with the theater.

Cloak will return to New York in January to compare European and American theater activity.

Professor Cloak has received two previous Rockefeller grants. In 1937-38, he studied at Yale. His second grant was for the summers of 1946 and 1947.

According to Cloak, this grant is an opportunity to re-evaluate the college theater work as its program expands with the addition of the proposed music-drama center.

## Mungerson Heads IFC for Next Term

Jerry Mungerson was elected president of the Interfraternity council for the coming term at the last meeting of the group.

Mungerson was opposed by Richard Ryan.

Hailing from Geneva, Illinois, he represented Sigma Phi Epsilon in SEC in 1954, was rushing co-chairman in 1955, and president in 1956. A member of Arnold Air Society, he served as secretary this year, and as a second lieutenant is Flight Commander of Squadron C.

Phi Delta Theta and Pi Beta Phi join in song as Wally Karst presents Barbara Adrian with roses. For the first time a fraternity and sorority serenade together in recognition of a pinning.

## Chapel Picture Appears On Mexican Magazine

A recent issue of a Mexican magazine devoted to diabetes carries a color photograph of Lawrence college's Memorial chapel as its frontispiece.

The magazine, official organ of the Mexican Diabetic association, is edited by Dr. Armando Peschard, who visited Appleton during the winter to see the Kathleen Davis family.

An explanatory note accompanying the photograph tells that the chapel was built in 1918 in memory of Myra Goodwin Plantz and Helen Fairfield Naylor. The Davis' were host to Dr. Peschard's son, who was in Appleton on the Experiment in International Living.

## Sealts to Attend Educational Forum

Dr. Merton M. Sealts, Jr., associate professor of English, is one of 39 teachers in the country to be named for a fellowship to the 1956 Ford educational forum, according to an announcement made by the Ford Motor company.

The forum is a two-week "short course" in the automobile business for college education in the broad field of the humanities and social sciences. The conference will open July 15.

Forum fellows will have access to the Ford archives, and will be shown the Rouge area at Dearborn, Greenfield Village, the Henry Ford museum, the research and engineering center and the Ford rotunda.

One other faculty member from a Midwest conference college has been chosen, Allan Robert Jones from the Grinnell history staff.

The 39 fellowship holders were chosen by a joint committee of university officials and Ford executives.

### Parade, Awards Mark Last Senior Cadet Drill

Next Thursday will mark the last squadron drill and final parade for this year's graduating senior Air Science IV members.

This final gathering of the AF ROTC cadets will be spiced by a dress parade and presentation of this year's awards to the outstanding members of the cadet corps.

The Convair award for the outstanding Air Science III speaker, the Pond Marksmanship medal, The Sons of the American Revolution medal, two gold and two silver Chicago Tribune medals, and others will be awarded.

Upon the assigning of these awards the newly appointed junior staff will take over execution of the drill and pass in review for the senior cadets

and the commissioned officers of the detachment.

## Air Force to Present Awards To Cadets at Honors Day Convo

For the first time, the Lawrence AF ROTC unit will present several awards to outstanding cadets at the Honors Day Convocation, May 24.

Awards which will be presented to graduating seniors are: the Air Force Association award, awarded to the most outstanding Air Science IV cadet. It is based on scholastic grades in college general subjects, scholastic grades in AF ROTC, summer camp rating, and individual characteristics contributing to leadership.

The Chicago Tribune award will be a gold medal awarded to a superior Air Science IV cadet and a superior Air Science III cadet for military achievement, scholastic attainment and character.

The Distinguished AF ROTC Graduate award will be awarded to the senior graduates who possess outstanding qualities of leadership, high moral character, and definite aptitude for the military service.

Juniors will receive awards from the AF ROTC also. The

Republic Aviation Award will be given to the junior cadet who makes the most effective speech presentation on an Air Power subject. The Reserve Officers' Association Award will be presented to the most outstanding junior cadet.

Awards which will be presented to the sophomores are: The Convair Cadet award, based on accumulative college grades, AF ROTC grades and demonstrated leadership; the Chicago Tribune award of a Silver Medal to a superior sophomore cadet; and the Sons of American Revolution award, awarded to a sophomore cadet who has exhibited in his work a high degree of merit with respect to leadership, military bearing and excellence in his academic courses of study.

The Chicago Tribune award of a silver medal will also be presented to an outstanding freshman cadet, as well as the Pond's Marksmanship award, given to the AF ROTC rifle team member with the highest marksmanship record.

## 'Garçon Pour Le Soir' Fulfills Pledge

Dr. Douglas Knight unearthed a hidden talent in the fulfillment of a three month old campus obligation, May 9.

Adhering to his promise to serve any organization that could pay the price, in the TV set auction for the union, the plucky president proved an amiable waiter for the prize-winning Phi Delt.

The Doctor rose to the occasion, donning battered silk hat and tux. His stiff shirt front bore the brand of his masters for the evening, the bright red inscription of Phi Delta Theta.

At the height of the fractionous festivities, newly-elected Phi Delt president, Dick Rine, was called upon to make a speech acknowledging his new office.

Rine displayed genuine diplomacy through his glib comment, "I have only one thing to say. Now we'll have to fight hard to keep off social pro."

## Vike Frosh Bow to Ripon In First Meet of Season

In a track meet held simultaneously with the varsity at Ripon, Viking yearlings bowed to Ripon in their first meet, 77-52. Lawrence's small squad was handicapped by the absence of its distance man and discus hurler.

Cassond was the most outstanding performer for the Redmen frosh. He took first place in the broad jump and

pole vault, second in the javelin, and tied for second in the high jump.

Tom Holler, Dave Mulford, Tom Howell, and Carl Schwendler were the mainstays of the Lawrence thinclads. Holler won both the high and low hurdles and tied for second in the high jump.

Howell led the pack in the 100 yard dash and took third in the javelin throw. Carl Schwendler won this event with an impressive toss of 162 feet. Mulford won the half-mile and came in second in the quarter.

Although the wet grounds prevented good performances in the running events, some good distances were achieved in the field events. Besides Schwendler's toss, Erdman of Ripon gave the shot a ride of 43 ft. 5 inches. Cassond of Ripon broad jumped exactly 20 feet, followed closely by Howell, who landed just two inches behind him.

Wednesday the Redmen gave the Vikings a chance for revenge when they visited Whiting field for another, dryer contest.

played no. 2 doubles, while Keiser and Tait competed in third doubles.

Walsh (L) beat Hurlbut (R) 6-1, 6-0.  
Wirsberger (L) beat Brandt (R) 5-7, 6-3, 6-1.  
Swan (L) beat Gesenz (R) 3-6, 7-5, 6-1.  
VandeMoore (R) beat Katz (L) 6-4, 6-2.  
Filek (R) beat Keiser (L) 2-6, 7-5, 6-4.  
Fisher (R) beat Tait (L) 6-3, 6-4.  
Walsh-Wirsberger (L) beat Hurlbut-VandeMoore (R) 6-3, 7-5.  
Brandt-Gesenz (R) beat Swan-Katz (L) 6-4, 6-3.  
Filek-Fisher (R) beat Keiser-Tait (L) 6-3, 7-5.

**Viking Distancemen Warm Up** for the season's finale tomorrow at Grinnell where the Midwest conference will hold the annual track meet. Senior lettermen Mike Simonds, Win Jones, and Doug Hagen are the chief running threats for the Vikes. Simonds will run the 440 and 880, Jones will compete in the 880, and the mile, while Jones runs the mile and two mile.

## Relay Win Ties Score in Ripon; Viking Track Meet Saturday

Running on a soft and muddy track, Lawrence's thinclads were held to a 65-65 deadlock in a dual track meet held at Ripon last Saturday. Ripon tied by virtue of a winning relay team and the heroics of Ulysses Doss.

Competing in five events, plus the record-setting relay team, the fine all-round athlete produced two firsts, a tie for first, and two thirds for a resounding total of 16 points.

Doss walked off with firsts in the javelin and broad jump, a first place tie in the high jump, and thirds in the two dashes. His best effort was a javelin throw of 180½ feet.

### Relay Record Set

In winning the relay, the Ripon team set a new mark of 3:32.2, more than four seconds faster than the old, set by the same team this year.

The time is all the more impressive because the slow track made for slow times in most of the events.

The distance duet of Hagen and Jones swept three events as usual. With little trouble, Hagen won the half mile and Jones the two mile run.

### Jones Heads Field

Jones' race was with the clock only, as he lapped most of the field, and was far ahead of the nearest man at the end of the two mile circuit. Hagen and Jones finished in a first place dead heat in the mile run for the third time this year.

John Windsor was the only other double winner for the

Vikes, scoring his in the shot and discus. Niel Buck had his best day at the high jump so far this season. He tied with the formidable Doss at 5-10, and just missed going over 6 feet even.

### Peterson Takes Second

Jon Peterson, running the 440 for the first time this season, came in second just a step behind Blake of Ripon, and a few steps ahead of teammate Chuck Fisher.

Ripon pulled a mild upset in tying the Vikes, who had a little better record. The Redmen copped more firsts than the Vikings, 8 to 5, with two ties, but Lawrence came in second best 9 out of 14 times and took five thirds.

### The scoring:

100 Yards — 1. Vilas, R; 2. Compere, L; 3. Doss, R. 10.5.  
220 Yards — 1. Vilas, R; 2. Compere, L; 3. Doss, R. 23.1.  
440 Yards — 1. Blake, R; 2. Peterson, L; 3. Fisher, L. 54.7.  
880 Yards — 1. Hagen, L; 2. Reinert, R; 3. Simmons, L. 2:04.5.  
1 Mile — 1. Jones and Hagen, L-R, tied; 2. Griffith, R. 5:02.  
Two Mile — 1. Jones, L; 2. Holmes, R; 3. Griffith, R. 10:28.5.  
120 Yard High Hurdles — 1. Higgins, R; 2. Bundles, L; 9. Czerwinski, L. 16.2.  
220 Yard Low Hurdles — 1. Higgins, R; 2. Bundles, L; 3. Brunette, R. 25.5.  
High Jump — 1. Doss, R. and Buck, L. tied, 5 ft. 10 in.; 3. Reinert, R. 5 ft. 8 in.  
Broad Jump — 1. Doss, R. 21 ft. 4½ in.; 2. Klingbeil, L. 19 ft. 7 in.; 3. Swearingen, L. 18 ft. 7 in.  
Pole Vault — 1. Brunette, R. and Sprackling, L. tied 10 ft. 6 in.  
Shot-Put — 1. Winsor, L. 43 ft. 1 in.; 2. Berger, R. 40 ft. 7 in.; 3. Meyer, L. 40 ft. 1 in.  
Discus — 1. Winsor, L. 128 ft. 4½ in.; 2. Meyer, L. 118 ft. 5 in.; 3. Atlee, R. 117 ft. 3 in.  
Javelin — 1. Doss, R. 180 ft. 5½ in.; 2.

Negronida, L. 163 ft. 7½ in.; 3. Fink, R. 138 ft. 9 in.  
Mile Relay — 1. Ripon (Doss, Higgins, Blake, Reinert), 3:32.2 (new Ripon school record; old, 3:34.8, set this year.)

## Netters Defeat Doty Tennis Club

In an exhibition meet last Saturday, the Vike tennis squad prepared for the Midwest conference meet, by defeating the Doty Tennis club of Neenah, 5-1.

The exhibition meet was highlighted by the play of Dick Rine, as the former Neenah High great downed Don Voght of the Doty club, 6-3, 6-4.

The only point scored by the Doty team was in the number 1 doubles. Voght and his partner, Bob Curtis, avenged their earlier singles defeats at the hands of Rine and Dick Weber, by downing Rine and Weber in the doubles, 6-3, 6-4.

The other Vike netters, Kerry Ainsworth and Denny DeMets won their matches. Bob Van Dale, playing the number 5 singles spot did not finish his match because of the late start of the meet.

This weekend the Vikes are down at Mt. Vernon, Iowa at Cornell college participating in the Midwest conference tennis meet.

Dick Rine (L) beat Don Voght (D) 6-3, 6-4.  
Dick Weber (L) beat Bob Curtis (D) 6-0, 6-4.  
Dennis De Mets (L) beat Jim Curtis (D), 6-6, 6-4.  
Kerry Ainsworth (L) beat Bob Drenzo (D) 3-6, 6-4, 6-4.  
Voght-B. Curtis (D) beat Rine-Weber (L), 6-3, 6-4.  
De Mets-Van Dale (L) beat J. Curtis-Ryan (D), 11-9, 6-0.

## Delts Gain on Phi Delta Theta With Two Wins Over Sig Eps

Delta Tau Delta moved into second place in the interfraternity softball race by taking two games from Sigma Phi Epsilon, as Pete Thoms pitched a five-hitter to win the first game 7-2 and the Delt power swept the second game 20-6.

In the other game of the

week, Phi Delta Theta routed Phi Delta routed Phi Kappa Tau 26-12 to preserve their undefeated record. The standings now read:

Phi Delt	6-0
Delt	4-2*
Beta	3-2
Sig Eps	1-3
Phi Tau	0-5

Due to early-season rainouts, the schedule has been altered considerably. The Phi Delt has single games remaining with the Betas and Phi Taus.

The Delt has two games remaining with the Betas. The Betas play the Delt twice and the Phi Delt once.

The Sig Eps play the Phi Taus twice. The Phi Taus have two games with the Sig Eps and one with the Phi Delt.

The Phi Delt can clinch the softball championship by winning their next game. The softball championship would give the Phi Delt almost certain victory in the supremacy cup race. The best the Sig Eps can do in softball is a tie for third now.

If the Phi Delt win softball and the Sig Eps gain a tie for third, then the Sig Eps would have to win golf without the Phi Delt placing in order to gain a tie for the cup.

Tennis will finish up this week with the Phi Delt strong contenders for the singles championship and the Sig Eps in the doubles tournament.

The interfraternity golf meet was held Tuesday with each of the fraternities entering a four-man team. Going into the meet, the defending champion Sig Eps were favorites.

As in basketball, an all-star team will be selected on an opponent basis, with each fraternity voting only for opposing players. If time permits, there will be a game between the champions and the all-stars.

### Athlete of the Week

### John Winsor

JOHN WINSOR, triple-threat weight man on the Vike track squad, is our Athlete-of-the-Week. Winsor has had a very successful season thus far, throwing the shot put, the discus, and the javelin for Lawrence, and as a sophomore, he has two good years ahead of him.

At Ripon last weekend, Winsor was entered in all three events, and well in each. He won the shot put, he took the discus throw, and only an exceptional toss by Ripon's Ulysses Doss prevented him from placing in the javelin.

He has developed into one of the conference's top weight men, and has a good chance of placing in or even winning one of his favorite events in the conference meet this afternoon and tomorrow.

## RE-PLAY

BY DICK BJORNSON

Recently the Big 10 placed Ohio State on parole for the violation of amateur athletic principles, and the NCAA has taken action against several other schools including Auburn and Miami (Fla.). The AAU also absorbed its share of headlines by suspending miler Wes Santee from amateur status.

This situation points up a problem which has grown tremendously in size within the past decade. What precisely is an amateur, and, in the case of colleges, what constitutes a fair athletic offer?

Athletes, admittedly, are entitled to some aid in the form of a scholarship, but some of the "selling prices" of top football and basketball players are ridiculously out of proportion to an equitable scale.

Wilt Chamberlain went to Kansas after receiving over 70 offers from the nation's colleges, some reputedly for more than \$30,000. Thus far Ron Dibelius of Menasha St. Mary's has received over 40 offers.

Such flagrant misrepresentations of amateur spirit do not coincide with NCAA or AAU policy, nor should they, for these offers not only hurt the reputation of the school but they do an immeasurable damage to the athlete's sense of values.

American schools must decide which is the most important phase of education — athletic or scholastic. Any prominent educator would undoubtedly favor the latter, and therefore, I believe, that though athletics is an integral part of an

## Vikings Lose To Ripon Golfers

Last Saturday the varsity golf team played in a triangular golf meet against Knox and Ripon at Lawsonia golf course near Green Lake.

The Vikes defeated Ripon 11-4, but lost to Knox 14½ to ½. Fred Weeman shot an 81 which was good enough to beat Guise of Ripon 2½-½ but not quite enough to beat Whitcomb of Knox. Whitcomb had a 79 and beat Weeman 2½ to ½. John Brunswick shot an 88. He beat Borg of Ripon who had a 94, but lost to Bob Sparks of Knox who was medalist with a 77.

Ken Zieman lost both of his matches. He shot a 94 while Schloesser of Ripon had an 86 and McKenzie of Knox had an 81.

Paul Morton beat Wemple of Ripon 2½ to ½. He shot a 93 and Wemple had a 94.

Craig Castle hit an 87 and beat Ballis of Ripon 3-0 but again Knox had an upper hand and Andrews beat Castle 3-0 with an 84.

educational program, it must not detract from other phases, which it now does in many schools.

The solution of this problem does not lie in the abolition of athletics or the reconstituting of sports on a professional basis, but a re-evaluation of the athletic program.

Scholarship should be and probably will remain available to high school athletes who show promise, and if these scholarships do not become exorbitant there is no harm in the arrangement. The objection does not arise until offers cease to become scholarships in the true sense of the word and become outright gifts.

If this country wishes to retain its standings in the amateur athletic world, it will have to examine the methods of collegiate subsidization.

The Lawrention 7

## AAG

BY MAR & BOBBIE

Amongst puddles, puddles, bats and balls, the mighty female 'Caseys' drove hard on the diamond last week for their respective Greek groups.

The athletic chairmen of each sorority are to be ever immortalized for having the fortitude to pull their 'union lounging' sisters from 'the best in the country'.

Performing this wondrous feat of bravery we find Rene Barbeau for the Alpha Chis, Nancy Umburger for the A D Pis, Barb Sandborn for the DGs, Judy Huffman for the Thetas, Nancy Rentner for the KDs and Holly Piper and Susie Donaldson for the Pi Phis.

It is our natural assumption that the reason for the summer vacation ruling is expressly for the recovery of distraught athletic managers.

The slugger competition shifted into full gear Friday with a contest between the Kappa Deltas and the Thetas. With Carol Stevens pitching for the KDs and the shortage of players on the black and gold side,

the Thetas took a trouncing.

The Thetas, to all appearances, have taken a good many athletic trouncings this year just as have the A D Pis and A Chi Os, but all three groups continue to have a good time playing ball and this is the essence of the WRA program.

Under the recent WRA ruling the Alpha Chis will have to be excluded from the competition as the result of two forfeits.

This column will be too late to cover the inter-Greek fin meet which was staged at the pool last Wednesday. At the time of this writing, the participation prospects look good.

Don't forget to return your banquet invitations to their proper destinations in the dorms and above all don't neglect to whip out your best bib and tuckers for a 'real ball' at the 1956 WRA banquet to be held May 24 (Thursday) at Sage hall.

Baseball Statistics	W	L	FF
Alpha Chi Omega	0	2	2
Alpha Delta Pi	1	2	1
Delta Gamma	3	6	1
Kappa Alpha Theta	0	2	1
Kappa Delta	1	1	1
Pi Beta Phi	2	0	1

## real obligation

In answer to Mr. Biggers' letter we would like it to be understood that we are dealing with this problem in its particular relationship to Lawrence and not to the fraternity world as a whole.

We understand that various opinions are held by local chapters throughout the country depending on their geographical location. For this reason we have suggested that the local chapters at Lawrence act with reference to their position as an integral part in the educational policy of Lawrence.

It was recently stated by President Knight at a student convocation that "the most important thing about the best kind of knowledge is that it frees those who have it from the bondage of inherited prejudice, glib generality, or unlettered arrogance."

Discrimination policies of local fraternities can only be considered as having been derived from such bondages of inherited prejudices imposed by national affiliation. At the original time of the fraternities' affiliations to nationals, the discriminatory policies did not bear the implications that they do today.

In view of the present racial controversies in national fraternities, we feel that it is the privilege and responsibility of the local campus chapters to take a definite stand concerning membership qualifications.

Mr. Biggers implies that the Lawrentian is seeking to destroy fraternities at Lawrence. Our proposal was in the form of a suggestion to the fraternities that they act in their own self interest by making themselves compatible to Lawrence as an educational institution.

It is not to Lawrence's advantage to have the membership qualifications of campus organizations dictated by policies which are national in scope and have proved themselves to be inconsistent with any healthy respect for individuality.

The editorial of May 4 merely suggested a method whereby various fraternities, acting on their own initiative, could affiliate in a residence capacity any student they desired even though such a person was unable to qualify for national affiliation.

It further stated that such moves would be made possible by the peculiar system existing on campus, whereby the quadrangle living units were legally college dormitories wherein any student could reside.

National fraternity affiliation is only incidental to the real obligations of that group to the school and its purposes.

## From Your SEC

As you know the college plays host to a wide variety of guests throughout the year. During that time prospective students and their parents, visiting athletic teams, business men, towns people, etc. have reasons whether they be for business or pleasure for spending time on this campus.

As is the case with the students, the Union is the focal point for these people as well. Since they are the guests of the college, it is only common courtesy that they be treated with respect.

It has come to the attention of the Union committee through various sources on campus that we students have occasionally been lax in our hospitality towards these visitors.

We realize that in most cases this is an unconscious act on the part of the individual. It is hoped, nevertheless, that through this article greater consideration will be extended to them.

Application of these courtesies is especially desirable in the Grill and the Lounge. For example, a problem arises when guests enter the grill and find all tables occupied by Lawrence students.

In attempting to find a vacant table these people are put in an embarrassing situation for having bought refreshments they discover that there are no tables available. This is applicable to those who plan to eat a meal as well as to those people who stop in after a play, an artist's series, or other campus function.

The lounge as well as the grill

serves as a common meeting place. However, when the visitors enter the room only to discover the students sprawled over the tables and couches they hesitate to enter.

Improper conduct is infrequent, but when it does occur it embarrasses students and adults, creating a very undesirable situation.

In any case, non-Lawrentians who have specific interests in the college and attend its events are paying us a compliment which demands that we show our appreciation and respect. We hope that in the future Lawrentians will be more aware of this situation.

UNION COMMITTEE

## melting pot

To The Editor:

I have just finished reading an editorial entitled "More on Discrimination," in the May 4 issue of the Lawrentian and I am much disturbed.

Fraternities have existed harmoniously at Lawrence and have contributed much to the college for many years and I seriously doubt the wisdom of the college newspaper attempting to create a situation calling for the type of action demanded in your editorial.

I do not know the author of this piece, but he or she has a very warped conception of the basic idea of a fraternity. If the Lawrentian is seeking to destroy fraternities at Lawrence, the type of legislation called for in this editorial will bring it about quickly . . .

. . . To help you in presenting the opposing view to you readers, if you will do so, I am enclosing an editorial from a recent issue of Banta's Greek Exchange. It was written by Mr. George Banta, Jr., editor of the magazine, who has been one of the best informed persons on fraternity matters in this country for many years.

HAYWARD S. BIGGERS

Phi Delta Theta, Class of '32

To the Editor:

Finally! Hat's off to the Kingfisher for voicing an opinion which has been quite common among many. In my estimation, this question of an honor system is vital to our student government.

What better way to prove that we are capable of governing ourselves than by the adoption and success of a well-planned honor system.

I understand that this issue was discussed very favorably in the last SEC meeting. It seems that at last we are making progress on the development of an honor code for Lawrence.

It is quite obvious that this sort of thing had to start with the student body and I have enough faith in us to know that we will keep working for it. For we are "the powers that be" who must prove that we are not "eight hundred childish, cheating students."

NANCY SEIDEL

To the Editor:

Somebody is to be complimented on the excellent job of timing as far as the construction on Brokaw is concerned.

Now, instead of the wonderful sounds of spring, the birds, laughing voices, etc., we are privileged to listen from morning until night to the racket made by air hammers, buzz saws and workmen who don't have such things as finals to study for.

With the end of the term just three short weeks away, couldn't this onslaught have been held off until the students had finished and left? Couldn't the work be done when there was no one living in the dorm?

Now, when the warm breezes blow and the temperature soars, we are forced to stifle or listen to the noise. Once again I say, good timing.

"Best javelin thrower in the conference, if he'd learn not to throw it at people."

## suppression

In the hope of further solidifying their pro-segregation stand, the school board of Louisiana's Bossier Parish (near Shreveport) has banned from their nine school libraries Time, Life, and Look accusing these magazines of:

"Waging a systematic campaign to prejudice and inflame the American people against the South by presenting in their columns biased and distorted views on the institution of segregation of races in our schools." (Time, May 14, 1956)

Not only does this action set a dangerous precedent which other Southern school systems will probably follow, but it also illustrates the innate weakness of the position they have taken, for a belief that is strong and good need not be defended or protected in this manner.

To further accuse these magazines of distorted news coverage is an affront and grave accusation against three magazines that have done their best to present the news as accurately as human limitations will allow, albeit there may exist a rational biased attitude, for important social controversies demand that a stand be taken.

This is a highly emotionalized issue. The great feeling that goes hand in hand with a dying social institution leads to irrational actions and statements. But any action that conspires to suppress freedom of expression and thought (that of young Southern minds) is the most heinous of all for it conspires to destroy the very democratic underpinning of our society.

from the greek exchange

## what is involved at colorado

The action of the Regents of the University of Colorado may well point the way for others

in the campaign to destroy the college fraternity as it was originally conceived and as most of us have known it. The people behind the movement are taking advantage of a situation with much wider ramifications but they are apparently succeeding where others in generations past have failed . . . .

. . . . These people think of the fraternity as a college public service institution. If it were that then it is conceivable that they would at least be within their rights in specifying who is eligible for membership.

This conception of public responsibility stems from the fact that in the last fifty or sixty years the fraternities assumed an important position in student housing. The fraternities who rented or bought their first chapter houses had no thought of surrendering their right to invite as members their intimate associates and friends on any basis they chose to fix.

Fraternities naturally become adjuncts to the personnel departments of the colleges and gave assistance to the Deans in personnel problems. Their very strength and their ability to do this effectively came from the fact that they were a self selected body with the general

idea of "all for one and one for all."

What the present day "reformers" have in mind should be thoroughly understood now. They not only wish to make every student on a campus eligible for every organization on it but they want to divorce the chapters or local groups from any national or international affiliation they may have. . . . the people behind this movement are not going to stop at this. If the members of the groups they profess to befriend are not taken by fraternity chapters voluntarily, they will be doled out to the various chapters on the theory that they are duty bound to affiliate them.

The Regents of the University of Colorado have issued an ultimatum and set a date. The fraternities which do not meet their requirements will expire on the Colorado campus. . . . There will be those who either agree with the position of the university or who are willing to accept it to stay alive. Right or wrong, these are not fraternities whose religious background is important or whose ideas of membership followed the basic principles of the American Greek letter college society.

. . . . Only totalitarian governments have, up to this time, ordered the social life of their citizens.
